

CERTIFICATE PENETRATION TEST

SySS GmbH
Schaffhausenstraße 77
72072 Tübingen

hereby confirms that it carried out a penetration test for the company

itdesign GmbH
Friedrichstraße 12
72072 Tübingen

Test item: Web application "Meisterplan" including underlying systems

Test period: February 23 to March 5, 2026

Test depth / resistance period: The simulated attack lasted six person-days (actual test period).

Summary of test results: SySS GmbH hereby confirms that the test item resisted all attack activities throughout the above-mentioned test period and with the scheduled test depth. No major security flaws were detected.

Recommendation: SySS recommends that the test item be retested after every significant change or at the latest after one year.
